

PRE-GENERAL 1989  
(filed October 26, 1989)

Thirty checks (expenditures), totaling \$1,715.90, were *correctly* listed in the original CFR. These 30 checks were all “Expenditures Unrelated to the Candidate’s Campaign” and “Expenditures to Charitable Organizations by a Campaign Committee.” On the subsequent CFR (Post-General 1989) the “Amount Brought Forward from Last Report” was higher than the “Balance on Hand” shown on the Pre-General 1989 CFR, suggesting that the aggregate amount of these 30 checks was erroneously added back.
