Subject: Termination of Committee

Mr. Maurer,

Per our conversation today, I understand that the Franklin County Forum political club does not meet the threshold to be required to file campaign finance reports (more than 100 members, more than \$2,500 balance on hand, more than \$1,000 in annual contributions.) As such, I have terminated the committee record from our roles. Should you find that you do need to begin reporting, please file a new Designation of Treasurer form with our office.

Best regards,
