Franklin County Board of Elections Mails Voter Information Guide for November General Election

Columbus, OH – The Franklin County Board of Elections is mailing its official Voter Information Guide today to registered voter households across Franklin County. Approximately 504,095 households will receive the guide by U.S. Mail to help voters prepare for the November 3, 2026 General Election.

The guide provides information about Election Day polling locations, early voting, voting by mail, ballot information and voter identification requirements.

“We want voters to have the information they need before they cast their ballot,” said Franklin County Board of Elections Director Antone White. “Voter should take a few minutes to review the guide, check your polling location, and make a plan to vote. If you are voting by mail, return your ballot early so it reaches our office by the deadline.”

The Voter Information Guide includes:

- Election Day polling location information
- Vote-by-mail instructions and deadlines
- Early Vote Center hours
- Voter identification requirements
- Information about becoming a poll worker

Voters are encouraged to review the guide carefully, particularly their assigned Election Day polling location and the absentee ballot return deadline. Regular absentee ballots must be received by the Franklin County Board of Elections no later than 7:30 p.m. on Tuesday, November 3. A ballot postmarked by Election Day but received after the deadline cannot be counted.

Early in-person voting is underway at the Franklin County Board of Elections, located at 1700 Morse Road, and continues through Sunday, November 1. Applications for an absentee ballot by mail must be received by 8:30 p.m. on Tuesday, October 27.

Voters can view their sample ballot, verify their polling location and find early voting hours at www.vote.franklincountyohio.gov. For additional assistance, call 614-525-3100. To request an absentee ballot application, call 614-525-3470.
