Re: Reynoldsburg Republican Club  
2017 Semi-Annual Finance Report  
Correction of 30-A Line 1

From: Sandra D. Long  
Treasurer  
Reynoldsburg Republican Club

The amount reported on 30-A, Line 1, in the 2016 Annual Report reflected a \$5.00 discrepancy in the amount reported versus the actual amount on hand.

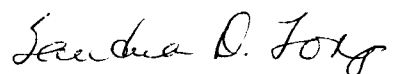

When the account was turned over to me, I was informed of the discrepancy and I wish to correct it for future reports.

I have provided two (2) Forms 30-A with this Semi-Annual filing, along with documentation to provide and support the correct amounts.

Please let me know if this is acceptable or if you have any questions. If I do not hear back, I will submit future reports using the correct amounts (with \$6021.89 on Line 1 of Form 30-A for the next report due).

I can be reached by telephone at 614-638-6581, or by e-mail at SLongEVAL@aol.com.

Thank you in advance.

Sandra D. Long
