Dear Mr. Mackey

I am filing these revised pages in response to your letter dated October 29, 2010 related to the Board of Elections conditional acceptance of the Citizens for Quality Schools 2010 pre-general election. I have made the changes that you have noted to the attached forms and initialed them.

- The date of the original expenditure for Burges and Burges was at typographical error and the revised form reflects the current date.
- The amounts collected from individuals that were less than \$25 that had been aggregated on the original filing were from social or fundraising events and are now reflected on form 31-E.

I thank you for your time and guidance in assisting with these corrections to the report and apologize for any time that this has taken you and your staff.

If you have any further questions, please let me know. I can be reached during the day at 614-229-4806.

Sincerely,

A handwritten signature in black ink, appearing to read 'W. Michael Fritz', with a long horizontal flourish extending to the right.
