To whom it may concern:

A minor discrepancy in the amount of \$ 31.21 has been made in the balance between the Friends of Motil campaign committee and our bank account. The funds which have remained in this campaign committee since it originated in March of 2003 for the purpose of raising contributions for the 2003 primary election for Columbus City Council, have been primarily lessened by bank fees. It was recently decided to close the committee and expend the remainder of the funds to a local non-profit social services organization (Clintonville-Beechwold Community Resource Center). Due to the length of time that the campaign committee has been open, the task of reconciling the balance could not be accomplished. Please contact me at your earliest convenience to answer any questions you may have if there is a need to further remedy this matter.

Sincerely,

A handwritten signature in black ink, appearing to be 'Monica J. Motil', with a stylized, cursive script.
